Baby, when we break up from a quarrel or a fight  
I can't wait to have you back and hold you, oh, so tight  
Tell me why, I want to know, oh oh  
Tell me why is it so, oh oh

That the best part of breakin' up is when you're making  
up  
Best part of breakin' up is when you're making up  
But, after breakin' up  
Be sure you're making up with me

Every time you leave, I get those teardrops in my eyes  
But they seem to go away when you apologize  
Tell me why, I want to know, oh oh  
Tell me why is it so, oh oh

That the best part of breakin' up is when you're making  
up  
Best part of breakin' up is when you're making up  
But, after breakin' up  
Be sure you're making up with me

C'mon, baby, c'mon baby  
Don't say, "Maybe"  
Well, it makes no difference who was wrong  
Just as long as I'll be with you

Baby, I'll be lonely till you're back where you should be  
But, baby, I belong to you and you belong to me  
Tell me why, I want to know, oh oh  
Tell me why is it so, oh oh

That the best part of breakin' up is when you're making  
up  
Best part of breakin' up is when you're making up  
But, after breakin' up  
Be sure you're making up with  
The best part of breakin' up is when you know  
That you're making up with me

C'mon, baby, c'mon baby  
Don't say, "Maybe"

C'mon, baby  
Ooh we, maybe  
C'mon, baby  
Don't say, "Maybe"
