

Azoic, The "Eternal"

Visit "[Eternal](#)" on MotoLyrics.com

Intro

Your celestial devotion
Profound pure and heavenly
As deep as the ocean
We kiss, we feel, we admire.

(3x)

Eternal, love unearthly glorious
I treasure deeply within
And bask in its splendid shimmer
I kiss your angelic eye
Haunting sites of paradise
Reflect upon me
I hear my own cries.

(2x)

Your celestial devotion
Profound pure and heavenly
As deep as the ocean
We kiss we feel we admire

(2x)

Eternal, love unearthly glorious
I treasure deeply within
And bask in its splendid shimmer
I kiss your angelic eye
Haunting sites of paradise
Reflect upon me
I hear my own cries
