From the very beginning mankind had to survive
We had to become aggressive
Just to find our daily bread
Then came the pecking order
Domination over each other
All that time the higher mind was recording each and
everything
Freedom, freedom for humanity! [x4]
After my own consultation
I've come down to this conclusion
Mankind is more mechanized
Not at all civilized
What do we teach the children of today
About this hectic behaviour of ours?
Yes indeed I do believe I have a simple solution
Positivity is a necessity, positivity is a necessity
Positivity is a necessity, positivity is a necessity
Positivity is a necessity, it's a necessity yo!
Necessity yo!
The whole world wants to be free! [x4]
The whole wide world wishes to be free!
The whole wild world wishes to be free!
Freedom for you my brother
Freedom for you my sister
Zindiiiingg!
Yes! Puppa Keven deh pon di mic a mc
In case you never know mi in dat category
Get up in di morning mi go down pon mi knees
Open mi bible and read Psalm 1, 2, 3
Give thanks to God who is the Almighty
Creator of you, mi say along with me
Want to be free, yes I want to be free!
Yes we wanna be we, we, we!
Freedom freedom!
Freedom freedom!
Freeeee, humanity!
The whole wide world wishes for freedom
If you don't know what this means, don't sing with me
But if you know what I am talking about
Come along, sing along
Sing Freedom!
