I am feeling soooo sad!

And it's all your fault

Taking everything from me

I gave you soo much

Chorus

How could you, how could you do me like this?

How could you, how could you do me like that?

Verse 1

I gave you everything that I had

My time, my very essence

I let you in and you kicked me out

You never know if I am happy or sad

You couldn't be the one I wanted you to be no, no, no,  
no, no!

Full a sense, full a pride, woman with integrity

Who coulda deh yah fi me

But all you wanted was my money

Wha me say!

How could you, how could you do me like that?
