Verse:

Sit-in' on the front porch havin' a beer,  
Play a little guitar, while the sun goes down.  
Burgers and dogs, hot on the grill,  
A little summer breeze,  
Waiting on paradise

Chorus:

It was a hot one today,  
An ice cold beer brings a chill.  
It was a hot one today,  
An ice cold beer brings a chill.

Verse:

Sit-in' on the front porch nights roll-in' in,  
Like a long lost friend,  
Well look what the tides dragged in.  
Watch-in' fire flies, painting the night,  
Stars fill the sky, what a summers delight!... (Chorus)

Verse:

Sit-in' on the front porch havin' a beer,  
Sing a little song, come on and jump right in.  
Don't be shy come on and give it try,  
If your a little out of key...  
Hey, you'll fit right in. (Chorus)

Verse:

Sit-in' on the front porch havin' a beer,  
Sing a little ditty,  
You know it don't mean a thing.  
Tell-in' tall tales into the night,  
Good company and friends,  
We'll have a good time... (Chorus)

Verse:

Sit-in' on the front porch, have another beer,  
If your singing along,  
You know you can't help but grin.  
Kick off your shoes, stay for a while,  
Get a little laid back,

Put tomorrow on hold... (Chorus) End.
