"Misery"

So many people are unhappy
Because they don't know who they are
They don't have any sense of purpose
They wake up in this confusion
Go to bed disillusioned
Wishing they had life's solution
No they don't know, they don't know who they are my
brother
No they don't know, they don't know who they are my
sisteren

Chorus

Misery they live in misery x2

Verse 2

So you might be very wealthy
But are you spiritually healthy to say that you are free
To attend to your own destiny?
Do you chat intelligently?
Do you think positively?
Do you wish all people to be free?
Free from misery

Bridge

Jah Jah have mercy on their souls!
They keep on burning the bridges before they cross
them
Jah Jah have mercy on their souls!
They keep on biting the hands that feed them

Chorus

Misery Misery x 2

Misery Misery x 2

Chorus

Mmmmmmmm x4

Verse

Do you know who you are my brother do you know?
Do you know who you are my sister do you know?
You live a life of slavery
By keep on worshipping money
And don't even give to charity
You believe in this vanity
No you don't know who you are no, no, no!
How can you be happy when a next one's belly is empty
yo?

I don't understand how you can be such a taker
You gotta be a giver in this world
You gotta be a giver
Otherwise you're living a life of slavery yeah
Chorus
Misery, misery
Misery, misery
Mmmmmm mmmmmh
Misery, misery, misery, misery
