#### Verse 1

I've searched so long for a love like this  
Made so many wrong turns in my time  
I've been burned in so many different places  
Before I could find the love of my life  
Show me a man who is sinless my dear  
Show me a man who is blameless my dear

#### Chorus

Please don't leave me now! [x4]

#### Verse 2

Can you hear the birds in their own sweet melodies?  
Do you hear angels in their lovely harmonies?  
Singing your name, your lovely name  
Do I have the strength to go on without your love?  
Must I go on, should I go on, can I go on, must I do I?

#### Chorus

Please don't leave me now! [x4]

#### Bridge

Show me a man who is sinless my dear  
Show me a man who is blameless darling

#### Chorus

Please don't leave me now! [x4]

#### Verse 3

I've searched so long for a love like this  
Made so many wrong turns in my time  
I've been burned in so many different places  
Before I could find the love of my life  
It's you baby, the one and only!  
It's you my love, you're the only one for me!  
Don't ever leave me, no, no, no, no, no don't leave  
ehh!  
Please don't leave me now, ah ow!  
Please don't leave me now!  
Please don't leave me!  
No no, please don't leave me!  
Please don't leave me now!
