"Yes I Do"

Tonight I'm full of doubts and fears
Looks like another night of tears
You're not here so I can't turn to you

Now I know what needing someone really means
Yes I do,
And I need you

It's so hard when you're not here
I believe but I still fear
It's so hard not knowing where you are

Now I know what missing someone really means
Yes I do,
And I miss you

Still don't know just where you are
Distances are all too far
Are you well or are you crying too?

Now I know what loving someone really means
Yes I do,
And I love you
