There you are lookin' good to me  
Finest thing I ever seen, yeah  
Stay a while, there's no rush to leave  
I'm addicted, I've found the ticket and you're the lottery

I rarely ever do  
But it feels alright, alright

So I never want to let you go  
They don't make 'em like you no more  
They don't make 'em, they don't make 'em like you  
They don't make 'em, they don't make 'em like you, girl

Love you like my favorite T.V. show  
They don't make 'em like you no, no  
They don't make 'em, they don't make 'em like you  
(No, no, no)  
They don't make 'em, they don't make 'em like you, girl

A change of heart there would never be  
We can get along girl, just you wait and see  
Who said it's too good to be true?  
I think they lied to me, they lied to you

Or maybe they just never found

I really never, never do  
Never, but it feels alright, alright

So I'm never gonna let you go  
They don't make 'em like you no more  
They don't make 'em, they don't make 'em like you  
(It's a damn shame)  
They don't make 'em, the don't make 'em like you, girl

Just like the old school '64  
They don't make 'em like you no more  
They don't make 'em, they don't make 'em like you  
They don't make 'em, they don't make 'em like you

Like a timeless record, you would never get old  
And I gotta tell you, baby, just in case you didn't know

You're my baby, perfect lady  
In my eyes, you'll forever be my number one

So I'm never gonna let you go  
They don't make 'em like you no more  
(Never gonna let you go)  
It's a damn shame, yeah

Just like a record in the studio  
They don't make 'em like you no more  
Yeah, they don't make 'em, yeah  
No, no, no, no, no

So I'm never gonna let you go  
They don't make 'em like you no more  
They don't make 'em, they don't make 'em like you  
(It's a damn shame)  
They don't make 'em, they don't make 'em like you, girl

They don't make 'em, they don't make 'em like you  
They don't make 'em, they don't make 'em like you, girl

They don't make 'em like you no, no  
No, no, no, no, no, no, no, no, no, no, no, no  
They don't make 'em, they don't make 'em  
Like you
