Chorus:

Everybody put your hands together and let's praise the
Lord (3x)

The earth is His, the seas are His

The lands are His, our hands are His

Put your hands together and let's praise the Lord

Clap your hands all ye people

Sing praise to the Lord

Shout unto God with shouts of joy for He is Lord

(Chorus)

Bridge:

Come on, let's put our hands together

And sing our praises unto our Lord (3x)

For God is King of heaven and earth

And He shall reign forevermore

(Chorus)
