Ladies and gentlemen, women and every man  
Yes, yourselves, because the sound, the sound  
The sound of making love  
The baby makers, The Isley Brothers are back

Sugar, honey  
It's been such a long, long time  
Since you heard anything from me  
Understand, I been on my grind

But now that we are together  
Let's take it back to between the sheets  
Got the [Incomprehensible] watching you, girl, do what  
you will  
Anything you do is fine with me

And you can take it how you want it  
Many possibilities  
And I'mma give it how you need it  
Satisfaction guaranteed

And you can take it how you want it, girl  
But you love it when you get on top  
And I'mma give it how you need it  
Once I start, it's gonna be hard to stop

Darling, shawty  
You've got a awful whole lot to show me  
The way you workin' down there, I don't know how to  
act  
You gotta make me go back to the old me

And I'm gon' make you say  
Oh, oh-ooh-oh  
Mr. Beats, can you keep it right there?  
And I'm gon' make you say  
Oh, oh-ooh-oh  
I promise to keep it right

And you can take it how you want it  
Many possibilities  
And I'mma give it how you need it

Satisfaction guaranteed

And you can take it how you want it, girl  
But you love it when you get on top  
And I'mma give it how you need it  
Once I start, it's gonna be hard to stop

Let me break it all down  
Let me put your coat down  
Let me break it all down  
Let me put it all down

Let me break it all down  
Let me break it all down  
For I know what you came to do

Oh, it feels so good  
Said it feels so good  
Feels so good  
Said it feels so good

Feels so good  
Said it feels so good  
Would you let me take my time?  
And you

And you can take it how you want it  
Many possibilities  
And I'mma give it how you need it  
Satisfaction guaranteed

And you can take it how you want it, girl  
But I love it when you get on top  
And I'mma give it how you need it  
Once I start, it's gonna be hard to stop

And you can take it how you want it  
And I'mma give it how you need it  
And you can take it how you want it, girl  
And I'mma give it how you need it  
Once I start, it's gonna be hard to stop
