Hey, baby, it's been a while since I've seen you  
Talked to you, held you in my arms  
Honey, you don't know, there's a lot goin' on  
You're the reason that I'm still here

Something I wanna say, girl  
I love you, baby  
And I been missing you every day, girl  
Like crazy

Whoa, like crazy  
Pretty lady

I think about loving you  
Think about touching you  
Holding you close  
That's what I miss the most

I think of caressing you  
Think of undressing you  
Holding you close  
That's what I miss the most

See, I been gone away  
For such a long time, baby  
And I want you to know  
You've been on my mind, baby

On my mind, baby  
Oh, yeah

I think about loving you  
Think about touching you  
Holding you close  
That's what I miss the most

I think of caressing you  
Think of undressing you  
Holding you close  
That's what I miss the most

Ooh, baby

Ooh, baby  
Ooh, baby

That's what I miss the most  
That's what I miss the most  
(Touching you, loving you, kissing you)  
That's what I miss the most  
(Touching you, loving you, kissing you)

That's what I miss the most  
(Touching you, loving you, kissing you)  
That's what I miss the most  
(Touching you, loving you, kissing you)
