YOU ARE

Chorus

You are the love of my life

You are the hope that I cling to

You mean, more than this world to me

I wouldn't trade you for silver or gold

I wouldn't trade you for riches untold.

You are , you are my everything

I wouldn't take one step without you

I could never go on.

I couldn't breathe on breath without you.

I don't have the strength

To make it on my own

Chorus

Until the world stops turning

Until the stars fade, from the sky

Until the sun stops striving

I need you in my life and heres the reason why!
