It's not about the way
You wore your hair
Or how the scent of your
Perfume filled the air

There was something in your eyes
That whispered to my soul, my soul
Then your heart spoke to mine
Girl, you had me at hello
Yeah, you had me at hello

And you're the smartest girl
I've ev-ever known
With such a crazy way with words
You stand alone

As impressive as you are
And all the things you know, you know
It doesn't matter, girl
You had me at hello
Girl, you had me at hello

Yeah, and all you had to say
To steal my heart away
With hello
Hello, hello
Hello

As impressive as you are
And all the things you know, you know
It doesn't matter, girl
Yeah, you had me
Oh, you had my soul, baby

Girl, you had me at hello
Girl, you had me at hello
Girl, you had me at hello
Girl, you had me at hello
Girl, you had me at hello

And all you had to say
To steal my heart away

Was hello, hello
Hello
Hello
