When you're down and troubled
And you need a helping hand
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah.
You've got a friend

If the sky above you
Should turn dark and full of clouds
And that old north wind should begin to blow
Keep your head together
And call my name out loud, yeah
Soon I'll be knocking upon your door

You just call out my name
And you know wherever I am
I'll come running, oh yes I will
To see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yeah, yeah, yeah.

Ain't it good to know that you've got a friend
When people can be so cold
They'll hurt you, and desert you
And take your soul if you let them
Oh yeah, but don't you let them

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there, yes I will.

You've got a friend
You just call out my name
And you know wherever I am
I'll come running to see you again (oh baby don't you
know)
Winter, spring, summer or fall
All you have to do is call
Lord, I'll be there yes I will.
You've got a friend

Oh, you've got a friend.
Aint it good to know you've got a friend.
Aint it good to know you've got a friend.
You've got a friend.
