Hook:

It's quite substantial retro mandes
You know what I claim we bout our business
Don't deal with fake mother fuckers or teddy bitches
What I tell you, huh, my hustle a relentless
It's quite substantial retro mandes
You know what I claim we bout our business
Don't deal with fake mother fuckers or teddy bitches
What I tell you, huh, my hustle a relentless

You know what I'm sayin I'm takin the game
And I'm buckin on lame I'm takin the game
Fuck what you heard I'm rappin the third
I'm killing the world with my word
That be so explicit fuck you the sea kid
It will get your weed split
It don't make no difference
Told to comin I'll go to your home
If I'm buzzin I'm guzzin I make me the lung
I'm high as the moon I'm hot as the sun
Yeah I'm strictly bout my fun
This should absurd that the kid is so absurd
Knowin drama was sip and serve yeah
You know I'm bout my dope

[Hook:]

My life is kind of crazy I tell not to give a shit
Tip towing on the edge I hope I do not sleep
My delivery spectacular catch of binocular
Blinz while I'm on the reception of maculate protection
I'm packing it the except to those I'm acting it
If you don't beat hot I'm jackin it
You're crappin it, I'm out the park we're going heart
On the boulevard... fross, pull your card
I mean you foreign like the whip in my garage

[Hook:]

When am I stoppin is gonna be never
Every record on top is gonna be better

We getting the gua 'cause sticking the chatter
Hit it and cock now you're hiding the feather
We burn it that loud we know bout later
The owe you'll better remember
We go together we better I roll like a pro
If I ever do blow, you know I'll follow my own
Path that I had on my way to the throne I last my new
coming at home
So that's what I want, that's my drive I ain't gonna front
You'd better run high I run beside the ABA
I put that on my life uh
