Oh my, girl how you doing, who you came with
This one here, got me speaking spanglish
I'm seeking a fly mamacita with fine features
Who don't mind reefer that I can get to know
And hang with

This track here got me speaking different languages
Lil mama over there, got me asking who you came here
with

Then I got her giggling, like she hit the spliff
Then after that, we probably dipping, she gonna hit the
spliff

High, odors my words, whip smelling red man funky
I got some fine herb, I don't need to fine dine her
With this fire herb

If she hit it down she gonna be down to ride
Like wilder

That's why I like thick thighs, hiding behind her skirt
Thick lips, when I saw them put my mind to work
The way her eyes gleaming, it got me day dreaming
Bout days full of going to bed and not sleeping
Bout breakfast bed but eggs what I'm not eating
Bout her legs on my shoulders telling me to dig deeper
She looking like a diva, bad ass Katrina
And she don't mind the reefer
I think she a keeper

She bound fine vegas soda lane, brown
She got list to kill do stop in traffic just to stare
She can dress her ass off, matching bag and mean
heels
But she ambitious, so she know how to speak as well
Damn I can't lie, fine ass sexy

No I'm serious, now
Don't you test me, cause you teasing and flirting
Lease the moment and hurting
Owning and burning, next thing you know it's 10 in the
morning
So we can sleep in late girl, just pull the curtains
And that thing you say you had a man,
You were pretty certain
But the way you acting, got me thinking something may
happened
Let me know if that's how you feel, Shawty for real
what's happening?
Cause I'm serious, we can go and get away, any place
girl
We can hit the A, get a suit got and see the sights
That's how we could be if it was you and me
Every single night, girl
