Don't waste it  
It's only here for today  
You don't own it  
So you can't just give it away  
Forever, forever is half a moment away  
So don't waste it  
It's only here for today  
Everything  
is waiting here

Chorus:

Don't mess with my heart, don't mess with my mind  
Won't let you get us down this time.  
You'll like what you see and take it from me  
You'll learn to see it over time.  
Get wasted on love,  
get wasted on life,  
get wasted on anything that's right.  
Get wasted,  
get wasted,  
get wasted,  
get wasted with me.

It seems empty  
I don't know what you expect  
If you don't give  
You're never going to get  
Forever is half a moment away  
You don't get  
back what you threw away  
Everything  
is waiting here

Chorus:

Don't mess with my heart, don't mess with my mind  
Won't let you get us down this time.  
You'll like what you see and take it from me  
You'll learn to see it over time.  
Get wasted on love,  
get wasted on life,  
get wasted on anything that's right.

Get wasted,  
get wasted,  
get wasted,  
get wasted with me.

Everything  
is waiting here

Don't mess with my heart, don't mess with my mind  
Won't let you get us down this time.  
You'll like what you see and take it from me  
You'll learn to see it over time.  
Get wasted on love,  
get wasted on life,  
get wasted on anything that's right.  
Get wasted,  
get wasted,  
get wasted,  
get wasted with me.
