Alot of you niggas don't be knowing how to treat these  
hoes  
When you meet these hoes, wanna sweet these hoes  
And trying to keep these hoes  
And playa hating on a playa  
Mad at me cuz I'm getting broke off why you pay-a  
[Shit]  
Thats the game and nigga I'm in it  
So you keep breaking off these hoes with that loot  
And I keep helping 'em spend it  
Too many niggas got they game in they pocket  
Trying to rank my game but you just can't stop it[Uh!]  
See my game is just two strong, three strong, four  
strong  
I been out here so long  
For some new jack to come and try to knock me  
I know that git jock me cuz he alway trying to mock me  
See I don't sweat that, cuz pimping ain't easy  
A major you chumps is just measly, believe me  
See ain't no trick fooling me  
She ain't gotta be true to be, as long as she do for me  
PEEP GAME!

[HOOK]  
Playa haters don't understand the money man  
I keep grands plus your best hoe my biggest fan  
Tell me where you niggas was when game was being  
passed out  
If it wasn't for that loot alot of niggas would be assed  
out

You get amped around these hoes and wanna flash  
knots  
I get a word these same hoes off in yo' stash box  
I'm in this thang for the riches  
Plus I'm a pimp and I love all my bitches
