I just can't believe your back here knocking on his door
Sugar, your not serious to be coming back for more
You know it's almost funny to see you standing there in
tears

I just want to thank you dear 'cause he no longer cares
about you

Bless your cheatin' heart

It's broken now

You had everything you didn't want but then somehow
He started looking good to you the minute he fell in my
arms

And I'm obliged to you to

Bless your cheatin' heart

It hasn't been to long since he was staying out all night
It took a long long time you know before that man was
right

But he's right where he belongs to me

We're just doing fine

If I haven't mentioned it

Thanks for being so kind

Bless your cheatin' heart

It's broken now

You had everything you didn't want but then somehow
He started looking good to you the minute he fell in my
arms

And I'm obliged to you to

Bless your cheatin' heart

You know it's almost funny to see you standing there in
tears

I just want to thank you dear 'cause he no longer cares
about you

Bless your cheatin' heart

It's broken now

You had everything you didn't want but then somehow
He started looking good to you the minute he fell in my

arms
And I'm obliged to you to
Bless your cheatin' heart

Well I'm obliged to you to
Bless your cheatin' heart
