I see you across the dance floor
And your something to see
I smile at you and I say
Will you dance with me?

I hold you in the shadows
And I'm feeling close
Oh, but something tells me
We've both felt it before

Honky tonk hearts
Fall in love easy
And it's so easy
To hold each other tight

Honky tonk hearts
Believe it's forever
But it always looks different
In the bright morning light

Well, maybe it's the music
Or it might be the wine
But it feels just like love does
With your body close to mine

So, I say things I shouldn't
And you believe that they're true
At least for tonight
I believe them too

Honky tonk hearts
Fall in love easy
And it's so easy
To hold each other tight

Honky tonk hearts
Believe it's forever
But it always looks different
In the bright morning light

Honky tonk hearts
Believe it's forever

But it always looks different
In the bright morning light
