I can see your heart is aching
She hurt you more than she knew
Should you ever want to love again
I'll be faithful to you

You've been crying like the willow
When the night bird sings so blue
Trust was broken but hearts will give
And I'll be faithful to you

In this world of pain and sorrow
Where a promise don't hold true
Here's a vow you can be sure of
I'll be faithful to you

So let me dry away your lonesome tears
Like the sun melts morning dew
And I will wrap you up in true, true love
I'll be faithful to you

In this world of pain and sorrow
Where a promise don't hold true
Here's a vow you can be sure of
I'll be faithful to you
I'll be faithful to you
