(Diane Warren)

I listen to the sound of the rain  
Fallin' down my window  
Prayin' for a gentle wind  
To bring my baby back again  
Tryin' to be strong but I'm not getting any stronger  
Loneliness is tearin' apart this heart of mine  
I like awake 'cause I can't take another night lonely  
It's been too long I can't hold on no more

And I'm leavin' on the next train out  
'Cause I gotta see my baby  
It's been too long since I held him in my arms  
And I just won't sleep at night  
'Till he's sleepin' here beside me  
Here beside me again

Talkin' on the phone but that don't make it any better  
Nothin's gonna ease this pain  
Until I'm in his arms again  
Runnin' down the stairs there's a taxi  
Waiting for me  
Loneliness I'm gonna leave you  
Far behind  
I'd walk for days through pouring rain  
Anything to be with him  
It's been too long, I can't be strong no more

And I'm leavin' on the next train out  
'Cause I gotta see my baby  
It's been too long since I held him in my arms  
And I just won't sleep at night  
'Till he's sleepin' here beside me  
Here beside me again

Gotta be with my baby

Gotta be with him  
Gotta be by his side  
Gonna be with him  
My heart's made up my mind

And I'm leavin' on the next train out  
'Cause I gotta see my baby  
It's been too long since I held him in my arms  
And I just won't sleep at night  
'Till he's sleepin' here beside me  
Here beside me again

And I'm leavin' on the next train out  
'Cause I gotta see my baby  
It's been too long since I held him in my arms  
And I just won't sleep at night  
'Till he's sleepin' here beside me  
Here beside me again

Gotta be with my baby
