(Cobey Pitcher/Al Goll)

You say you've been working late
But I know where you've been
There's no mystery baby I can tell
You're sneakin' 'round on me again
Well I guess she wins

Is she what you're lookin' for
Is she everything you need
If that's the way you want it
Hey, it's alright with me
She wins
Anyway you lose
I'm givin' up on you
She wins

I saw you with her yesterday
You caught my eye then turned away
Why do you think you have to run and hide
I know the truth and I know you lied
Well I guess she wins

Is she what you're lookin' for
Is she everything you need
If that's the way you want it
Hey, it's alright with me
She wins
Anyway you lose
I'm givin' up on you
She wins

Do you remember when we were in love
I used to be the only one that you would dream of
Now she's got a hold on you
I'm not hangin' 'round
We're through
She can have you

Is she what you're lookin' for
Is she everything you need
If that's the way you want it

Hey, it's alright with me
She wins
Anyway you lose
I'm givin' up on you
She wins
