(Joe Tassi/Bob Tassi)

How many nights you've cried
So sad and lonely
Wonderin' if he'll call
Waitin' for the phone to ring
Waitin' for the phone to ring

He said his love was true
You want to believe him
You're out there on a limb
Waitin' for the phone to ring
Waitin' for the phone to ring

How can you love a man
When he holds you like dirt
In the palm of his hand
His kind will always stray
Just like dirt he'll blow you away

Another night goes by
He's not there to hold you
You sit there like a fool
Waitin' for the phone to ring
Waitin' for the phone to ring
Waitin' for the phone to ring, now baby
Waitin' for the phone to ring

How can you love a man
When he holds you like dirt
In the palm of his hand
His kind will always stray
Just like dirt he'll blow you away

Another night goes by
He's not there to hold you
You sit there like a fool
Waitin' for the phone to ring
Waitin' for the phone to ring
Waitin' for the phone to ring, now baby
Waitin' for the phone to ring

Waitin' for the phone to ring, now honey
Waitin' for the phone to ring
