Verse 1:

If you only knew, what you put me through
you took me down, level with the ground
But now I've changed and I'm on my up again
And I ain't gonna let you run my life anymore

Chorus:

And I wish you could see me now
I wish you could see me now

Verse 2:

Temptation is great. I face it everyday.
Like a moth to a flame. I'm drawn to it again
But now I've got the strength to close denials door
And I ain't gonna let you run my life anymore

Repeat chorus

Solo

Repeat chorus

Verse 3:

Now there are not enough hours - in the day
To dwell on what I've learn from you - and how to get
away
And so it's gone and I let it go
And I ain't gonna let you run my life anymore

Repeat chorus

I wish you could see me now
