Sittin' in the shade at Johnson's Creek  
We carved our names in an old oak tree  
Dangled our toes in the cold cold stream  
Got lost in the kiss of the georgia heat

We waded in it when we were kids  
Roll one day and we'd jump in  
And ride this thing as far as it went

'Cause love's like a river flowin'  
Takes you wherever it's goin'  
Girl, I ain't lettin' go  
Hold on, the water gets crazy  
So let's you and me baby  
Ride this thing into the setting sun  
Let the river run

In the heat of the summer we're startin' to bake  
Hangin' our clothes on an old bridge plank  
Your tan lines make it hard to think  
Nothin' but footprints on the bank

Take my hand and come with me  
Out there where the water's deep  
Let's get swept away, wild and free

'Cause love's like a river flowin'  
Takes you wherever it's goin'  
Girl, I ain't lettin' go  
Hold on, the water gets crazy  
So let's you and me baby  
Ride this thing into the setting sun  
Let the river run

Watchin' the water run across your skin  
Girl I know this feelin' will never end

'Cause love's like a river flowin'  
Takes you wherever it's goin'  
Girl, I ain't lettin' go  
Hold on, the water gets crazy

So let's you and me baby  
Ride this thing into the setting sun  
Let the river run
