So many years I have known you
I've seen you cry of sins to pay
So many ways that I've tried to love you
Tried to show you a better way

Just when I think there's nothing more that I can do
There's a look in your eyes that's sayin'

"Don't give up on me tomorrow
Love me like you do today
See beyond my pain and sorrow
Even if I push you away"

This same mercy knows no measure
And if this is what you believe
Don't give up on me, yeah, don't give up

Not long ago, I can remember
Crying out for another chance
A prisoner of heartbreak and weakness
Just a victim of a circumstance

Somebody chose to love their way into my world
'Cause they heard me say, yeah, yeah

Don't give up on me tomorrow
Love me like you do today
See beyond my pain and sorrow
Even if I push you away

Your same mercy knows no measure
And if this is what you believe
Don't give up on me
(Don't give up, don't give up)

Yeah, oh, oh
Yeah, don't give up
Don't give up on me
Don't give up
Don't give up, Lord

Don't give up on me tomorrow

Love me like you do today
See beyond my pain and sorrow
Even if I push you away

Don't give up on me tomorrow
Love me like you do today
See beyond my pain and sorrow
Even if I push you away

Your same mercy knows no measure
If this is what you believe
Don't give up on me, yeah
Yeah, yeah

Don't give up on me, yeah, yeah
Don't give up
