maybe you come joy in your hearts
blessings and praise on your lips
maybe you come with pain in your soul
silence and questions and tears

whatever you bring theres a place for you
come as you are gather in this room
have no fear just draw near

cause He is here
He is here (yeah, yeah)
He is here
He is here (yeah, yeah)

He is our Father and He finds pleasure as we come to
worship Him
He already knows our every need
Hes the giver of all good things

Ruler of all and King alone
sovereign God on heavens throne
yet somehow, even now

He is here
He is here (yeah, yeah)
He is here
He is here (yeah, yeah)

let us meet Him in this moment
pour our hearts out in this place
let us come before Him bodily
let us seek His face

cause He is here (he is here yeah, yeah)
Jesus is here
Emmanual

He is here
(He is our Father and He finds pleasure as we come to
worship Him)
He is here

(He already knows our every need)
He is here
(Hes the giver of all good things)
(He is our Father and He finds pleasure as we come to
worship Him)
