Another broken promise  
Same as before  
If you love me she said  
If you love me  
You won't this anymore  
I see the tears they fall  
And he hurt that's in her eyes  
I love her  
Oh how  
I love her  
But I'm running out of time  
In the fight for love  
In the fight for love  
Leave me with a broken heart  
Torn apart and I'm bleeding on the floor  
Baby you and I will live or die today  
Cause today we go to war  
And we fight for love  
Another broken lover  
A woman scorned  
If you love me she said  
If you love me  
You won't walk right out that door  
Leave me with a broken heart  
Torn apart and I'm bleeding on the floor  
Baby you and I will live or die today  
Cause today we go to war  
And we fight for love  
I won't die for glory  
And pride ain't tworth the war  
Only love  
Is worth fighting for  
Don't give your life for money  
I'd rather just die poor  
Only love  
Is worth fighting for  
I would give it all, I'd give it all for you  
In the fight for love
