Broken, feels like my hearts been cut open,
I'm struggling, but I'm coping,
Choking on what you've done,
Dialing you number, but I never seem to call.
Writing another unsent message on my phone,
Finally I give up, it's not like we were in love.
But I can't stop seeing you,
Kissing him out in open view.
What the hell am I supposed to do?
Standing watch you make me a fool.
I'm going crazy.
Sleepless sine the night you betrayed me.
Like a movie in my mind it keeps playing
And my heart is breaking.
Confused by feelings I never knew I had,
You bruised my ego, and now I understand.
This wound will heal, and my heart is one the mend.
Wish I could stop seeing you,
Holding him out in open view.
What the hell am I supposed to do?
Standing watch you make me a fool.
I'm going crazy.
Sleepless sine the night you betrayed me.
Like a movie in my mind it keeps playing
And my heart is breaking.
It's too late the damages is done
Living out that night like a re-run
I think I'm going insane
Got me stuck on replay
I'm stuck on replay
No I never wanted to feel this way
Let you inside my brain, and you made me pay
How could I ever let you close to me?
It was a stupid mistake... Now I'm going crazy.
Sleepless sine the night you betrayed me.
Like a movie in my mind it keeps playing
And my heart is breaking.
It's too late the damages is done
Living out that night like a re-run
I think I'm going insane
Got me stuck on replay

It's playing on my mind; it's playing on my mind
It's playing over and over
Playing over and over,
Playing on my mind
You got me stuck on replay
I'm stuck on replay, I'm stuck on replay
