Hard to hold sticky fingers got a mind of their own
He's so bold leaves me breathless
Better as friends you need some convincing
Maybe I'll wait it out instead
I'm not afraid of doing time surrendering my life
'Cause good things come to those who wait

Good thing good thing
We're gonna do it my way
Good things come to those who wait

No control I'm addicted I can't let go
All this wait leads to madness
Love is a whore always pretending
Leading you on with hope of more
I'm not afraid to walk the line
Surrendering my life
'Cause good things come to those who wait

Good thing good thing

We're gonna do it my way
Good things come to those who wait
Good thing good thing
Were gonna do it my way
Good thing good thing
You're so hard to hold

I've waited here so long
Pull you close
Peel you back
Whisper in your seashell ear
You're so hard to hold
You're so hard to hold
You're so hard to hold

Good thing good thing
We're gonna do it my way
Good things come to those who wait
Good thing good thing
Were gonna do it my way

Good thing good thing
You're so hard to hold
Good things come to those who wait
