GIRLYOU ARE MY SOUL

Girl you are my soul and
Your love is precious
If the sky did fall In my hand
I'd give it to you
I know I'm just your boy and
Baby that's cool
So maybe you can call me
And we'll rendezvous

VERSE 1

This is hard enough for me to say
I love you in so many ways
I tried to tell you the other day
(I'm feelin you babe)

I'm wondering if we can talk
And maybe we can chill and walk
I'll have you home by one o'clock
(are you feelin me babe cuz)

Girl you are my soul and
Your love is precious
If the sky did fall in my hand
I'd give it to you
I know I'm just your boy and
Baby that's cool
So maybe you can call me
And we'll rendezvous

VERSE 2

Now you're hotter then the summertime
Babe when can I call you mine
A love like you is hard to find
(I've found you babe)

All I really need to know
Is girl when can we rock the show

Babe but you don't hear me though
(I've fallen in love)

Girl you are my soul and
Your love is precious
If the sky did fall in my hand
I'd give it to you
I know I'm just your boy and
Baby that's cool
So maybe you can call me
And we'll rendezvous

BRIDGE

I'm gon' break it down for yeah
Love I adore yeah
We can go places

I'm callin you out now
Holla and shout now
Show me your faces

Tell me where we are
Girl you are so far
Into my mind babe

So when you get cold
I'm here are you sold
On the idea of
Me and you

Girl you are my soul and
Your love is precious
If the sky did fall in my hand
I'd give it to you
I know I'm just your boy and
Baby that's cool
So maybe you can call me
And we'll rendezvous

Girl you are my soul and
Your love is precious
If the sky did fall in my hand
I'd give it to you
I know I'm just your boy and
Baby that's cool
So maybe you can call me
And we'll rendezvous
