Put on your dancing shoes

1 - 2 - 3 - 4

Baby put on your blue jeans  
Honey let down your hair  
Why don't we go down to Coyote Joes  
They've got a new thing happening there  
I know it ain't your birthday  
It sure ain't valentines  
The special occasions just an invitation  
Make sure your off tonight

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Woooo Hooo oh yea  
One more time  
Woooo hoooo oh yea

I've already made reservations  
Well be ready when we walk in the door  
When they strike up the band  
I will take your hand  
They better give us room on the floor  
Darlin' we'll be the dynamic duo  
Baby you make me cry  
The way you move when your feeling the groove  
Makes me want to jump and shout Yo

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes  
Put on put on  
Put on put on put on  
Put on put on  
Put on put on put on  
Put on put on  
Put on put on put on

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Two step any step you want to step to  
Baby Put on your dancing shoes

Put on your dancing shoes  
I'm gonna take away your weekday blues  
Two step any step you want to step to  
Baby Put on your dancing shoes

Two step any step you want to step to
