I Dream Of Women Like You by Ronnie McDowell

You'd think a man my age, would know what to say,  
But look at me, I'm all choked up.  
Guess I never believed, it could happen to me,  
This love-at-first-sight kind of love,  
I'm not sure where to start, I'll just pour out my heart,  
Or maybe I can say it like this,

I Dream of women like you,  
Those eyes, those lips, the way you move  
I'd like to know how it feels, just once, to touch,  
Something too good to be true,  
I dream of women like you.

You must think I'm a fool, and not very cool,  
And someone you could easily doubt.  
Ah, but when you walked in, I knew right then,  
The feeling turned me inside out.  
No I'm not playing games, just let me explain,  
Won't you give a man a chance?

I Dream of women like you,  
Those eyes, those lips, the way you move  
I'd like to know how it feels, just once, to touch,  
Something too good to be true,  
I dream of women like you.

I'd like to know how it feels, just once, to touch,  
Something too good to be true,  
I dream of women like you.

I'd like to know how it feels, just once, to touch,  
Something too good to be true,  
I dream of women like you. (fade)
