You broke me into pieces  
I don't know what to do no more  
I just thought that I'll let you go

You want back in my life  
I love you girl but i just don't know  
I don't want to be hurt no more

My head keeps tellin' me "No"  
My heart just says lets go  
Cause boy you're a fool in love  
And you don't know who to trust

My head keeps tellin' me "No"  
My heart just says lets go  
Cause boy you're a fool in love  
And you don't know who to trust

Cause i don't really know  
What's right and what's wrong  
What's right, what's wrong  
What's right, what's wrong  
What's right

Cause i don't really know  
What's right and what's wrong  
What's right, what's wrong  
What's right, what's wrong  
What's right

(Na na)

I don't want you back in my life  
I see the way you been looking at them other guys  
Making me feel like I'm not your type  
And I feel you using me and all was just a lie  
Bitch I won't be played, bitch bitch I won't be

played  
I see you flirting with them, so I played the same game  
I tried of the worrying about these others lames  
Cause girl I just dont know

My head keeps tellin' me "No"  
My heart just says lets go  
Cause boy you're a fool in love  
And you don't know who to trust

My head keeps tellin' me "No"  
My heart just says lets go  
Cause boy you're a fool in love  
And you don't know who to trust

Cause i don't really know  
What's right and what's wrong  
What's right, what's wrong  
What's right, what's wrong  
What's right

Cause i don't really know  
What's right and what's wrong  
What's right, what's wrong  
What's right, what's wrong  
What's right

I gave you everything a women needs to be and feel loved  
Sorry I didn't give you the money goes into cars  
You got treated like a star

Guess that was good enough  
Guess i wasn't good enough  
Guess i wasn't good enough

Cause you treated me like shit  
That's one thing you did too much  
But girl I feel in love  
Say girl I feel in love  
Now you're the one that I'm tryin' to get rid of  
You're the one that I'm tryin' to get rid of

My head keeps tellin' me "No"  
My heart just says lets go  
Cause boy you're a fool in love

And you don't know who to trust

My head keeps tellin' me "No"

My heart just says lets go

Cause boy you're a fool in love

And you don't know who to trust

Cause i don't really know

What's right and what's wrong

What's right, what's wrong

What's right, what's wrong

Cause i don't really know

What's right and what's wrong

What's right, what's wrong

What's right, what's wrong

What's right
