At five o'clock she know-ows I'll soon be ho-o-ome
And she don't worry 'bout me runnin' rou-ou-ound
'Cause all of my good ti-i-i-imes
Are waitin' right there for me
And she knows where I'll be-ee when the sun goes
down

I'm a - stand by my woman man
Our world turns around a little gold band
And love leads us through li-ife, hand in ha-and
I'm a - stand by my woman man
We fall asleep at night thinkin' ain't love grand
That's why-y I'm a stand by my wo-oman man

When she's down she know-ows I'll be beside her
'Cause I'm not just her lover, I'm her frie-iend
Our love keeps gettin' better
And I'll gladly spend forever
Standin' by the woman who-oo sta-ands by her man

I'm a - stand by my woman man
Our world turns around a little gold band
And love leads us throu-ough li-ife, hand in ha-and
I'm a - stand by my woman man
We fall asleep at night thinkin' ai-ain't love grand
That's why-y I'm a stand by my wo-oman man

I'm a - stand by my woman man (stand by your woman
man)
We fall asleep at night thinkin' ai-ain't love grand
That's why-y I'm a stand by my wo-oman man
That's why-y I'm a stand by my wo-oman man
