Once in every life, someone comes along.
And you came to me, it was almost like a song.
You were in my arms, right where you belong.
And we were so in love, it was almost like a song.

January through December, we had such a perfect
year.
But then the flame became a dying ember, all at once,
you weren't here.

Now my broken heart, cries for you each night.
And it was almost like a song, but it's much too sad to
write.
Ending:

Now my broken heart, cries for you each night.
And it was almost like a song, but it's much too sad to
write.
It's too sad to write.
