ALTOGETHER NOW LET'S FALL APART

(Johnny Koonse)

℗ '72 Chess Music

Lips are you ready to tremble hands are you ready to  
shake

Eyes get ready to cry heart get ready to break

Here she comes now she's gettin' closer is everyone  
ready to start

Altogether now let's fall apart

Nerves you'll be going to pieces tears you'll stream  
down my face

Head you'll be spinning around it's time every one take  
your place

We're all in this thing together my body my mind and  
my heart

Altogether now let's fall apart

I couldn't keep her from leaving though I tried oh Lord I  
tried

But heart you let me cheat then lips you went and lied

Here she comes now she's gettin' closer does  
everyone remember his part

Altogether now let's fall apart altogether now let's fall  
apart
