(John Schweers)

When she wakes up this morning and turns to kiss me  
She'll find I let her sleep because we loved so late last  
night  
She'll know I kissed her face gently till my returning  
And when she finds the rose on my pillow I know she'll  
smile.

Her amazing love unending  
Is so much more than I am worthy of  
If a rose could speak my feelings  
She'd know I cherrished her amazing love.

If I call her a little late she forgives me  
Her voice does not betray she's spent another day  
alone  
She softly thanks me for the rose and says I need you  
And then I can feel her smiling on the phone.

Her amazing love unending  
Is so much more than I am worthy of  
If a rose could speak my feelings  
She'd know I cherrished her amazing love...
