Been preparin',
All week long,
To get it ready,
To get it on.

The only thing,
That's on my mind,
Is drivin' it home,
In 4-4 time.

1, 2, 3, 4...

[Chorus:]
You gotta get it up,
Get down,
Get it on,
Or get on out.

That's the only way,
To make my baby shout.

You gotta get it up,
Get down,
Get it on,
Or get on out.

You gotta get it up,
Get down,
Get it on,
Or get on out.
[End Chorus]

This is what she said to me,
The only way you can set me free,
Is show me every move you got,
And move it till it hits the spot.

5, 6, 7, 8...

[Repeat Chorus]

Yeah...

Get it on, white boy.

[Refrain:]
Get it up,
Get down,
Get it on,
Or get on out.
[End Refrain]

[Repeat Refrain] 3x

[Musical break]

The second verse now...

This is what she said to me,
The only way you can set me free,
Is show me every move you got,
And move it till it hits the spot.

[Repeat Chorus]

[Repeat Refrain] 4x

[Musical break]

Let's give it to Warren...
Ah you're cookin' now...
You're cookin' Warren.

Do it to me...
Do it to me...
Go on, do it to me...

[Repeat Chorus]

[Repeat Refrain] 4x

Go on, give it to me ya'll.
You know I can sit here,
And do this thing all night long...

[Fade]
