Our neighbors are in Rio and wanted us to know  
They're having such a good time and they're sorry that  
we couldn't go  
My boss is in Jamaica and probably feeling sorry for us  
But they don't know that we're in the best place of all,  
here in love.

Here in love we're enjoying the sights and the sounds  
And the feelings we've found here in love  
We recommend it to friends, It's the in place this year  
Lets send them a card and say wish you were here in  
love.

We've never been to Paris and we may never see Rome  
But still we know where the greenest grass grows right  
here at home  
All our friends have flown away searching for a place in  
the sun  
But we're here alone in a world of our own, here in love.

Here in love we're enjoying the sights and the sounds  
And the feelings we've found here in love  
We recommend it to friends, It's the in place this year  
Lets send them a card and say wish you were here, in  
love.
