The snow is on the ground  
The family's all in town, it's Christmas  
The children want to know  
Why we hung the mistletoe, it's Christmas

Then silently the night turns on a magic light  
And it's Christmas all over the world  
And I hope that Santa Claus remembers every child  
Because it's Christmas

The lights upon the tree  
Make delightful melody, it's Christmas  
There's a choir out in the night  
Singing songs by candlelight, it's Christmas

With every face aglow, the young and old both know  
It's Christmas all over the world  
Love is flowing free, all the world's at peace  
It's Christmas

With every face aglow the young and old both know  
It's Christmas all over the world  
And I hope that Santa Claus remembers every child  
Because it's Christmas

Love is flowing free, all the world's at peace  
It's Christmas
