"Make No Mistake, She's Mine"(duet w/Kenny Rogers)

Composer: Kim Carnes

Don't call her up anymore

Cause I don't wanna hear your voice

I don't wanna see your face answer her door

Make no mistake, she's mine...she's mine

She only knows how I feel

I only know what she's like when she needs me

Oh, how she needs me..deep in the night

Make no mistake, she's mine..she's mine..no she's
mine

Don't get too close when you dance

Cause I don't wanna hear from my friends

You were out on the town

With her in your arms, with her in your arms..her in your
arms

Don't include her in your dreams

I don't wanna close my eyes..no

I don't wanna know where she goes

Each night when she leaves me

Make no mistake ,make no mistake... she's mine,, she's
mine..no she's mine

Don't call her up anymore

No don't call her up anymore

Don't call her up
