I'll take a long vacation  
I need a change of scenery  
I'll see the sights, go out at night  
There'll be no time for your memory

I'll get a new apartment  
Make friends that don't know who you are  
'Cause when I'm through, I'm really through  
If I can just convince my heart

Oh, but my heart, says I'm not so smart  
My heart tears my plans apart  
My heart won't admit we're through  
'Cause my heart, oh, my heart still belongs to you

I'll call some old phone numbers  
And I'll throw a party for a start  
I've made a vow, it's all over now  
If I can just convince my heart

Oh, but my heart, says I'm not so smart  
My heart tears my plans apart  
My heart won't admit we're through  
?Cause my heart, oh, my heart still belongs to you

Oh, but my heart, says I'm not so smart  
My heart tears my plans apart  
Oh, my heart won't admit we're through  
'Cause my heart, oh, oh, oh my heart still belongs to  
you
