So many times  
These few dreams of mine  
Seem hidden behind  
A mountain too high to climb  
But you were the one  
Who said, 'go on, follow your star'

When the song in my heart  
Was just a voice in the dark  
You could hear my mellow key

There's only one moon  
That shines in the night  
And only one love in my life

(Chorus)  
Only one love in my life,  
Only one love in my life  
I'm a ship on the open ocean darling  
You're my guiding light

The radio played  
My new song today  
And I heard someone say  
'Man, he sure got it made'

If only they knew how much you  
Have made of me  
Together we came  
From nowhere to fame  
And I never could have made it  
Alone

For me there's only one moon  
That shines in the night  
And only one love in my life

(Chorus x2)  
Only one love in my life,  
Only one love in my life  
I'm a ship on the open ocean  
Darling, you're my guiding light!

Yeah!

You're my guiding light  
And you're the only love in my life
