(Hillman Hall)

Would you look at what came down the road today  
Wanting me to be one more mistake to make  
A bridge to burn to get to someone knew  
Hey, pass me by if you're only passing through.

You sure look like the traveling kind to me  
Don't stop if this ain't where you want to be  
Now I don't know what you think you've run into  
Hey, pass me by if you're only passing through.

--- Instrumental ---

I'm not gonna be your stepping stone  
Among the other hearts that you've walked on  
Lord, help me if I fall in love with you  
Hey, pass me by if you're only passing through.

You sure look like the traveling kind to me  
Don't stop if this ain't where you want to be  
Now I don't know what you think you've run into  
Hey, pass me by if you're only passing through.

Pass me by if you're only passing through...
