When you walked out on me,
In walked the misery.
And he's been here since then.
I don't have plans and schemes.
I don't have hopes and dreams.
I, I, I don't have anything,
Since I don't have you.
(since I don't have you)
I don't have fond desires.
And I don't have happy hours.
No, I don't have anything,
Since I don't have you.
I don't have Happiness and I guess
I never will ever again.
When you walked out on me,
In walked the misery,
And he's been here since then.
I don't have love to share.
I don't have one who cares.
No, I don't have anything,
Since I don't have you!
When you walked out on me,
In walked old misery.
And he's been here since then.
I don't have love to share.
And I don't have one who cares.
I don't have anything,
Since I don't have you-oooo!
You-oooo!
You-oooo!
You-oooo!
