I thumbed my way from L.A. back to Knoxville  
I found out those bright lights ain't where I belong  
From a phone booth in the rain I called to tell her  
I've had a change of dreams, I'm comin' home  
But tears filled my eyes when I found out she was gone

Smokey mountain rain keeps on fallin'  
I keep on callin' her name  
Smokey mountain rain, I'll keep on searchin'  
I can't go on hurtin' this way  
She's somewhere in the smokey mountain rain

I waved a diesel down outside a cafe  
He said that he was goin' as far as Gatlinburg  
I climbed up in the cab, all wet and cold and lonely  
I wiped my eyes and told him about her  
I've got to find her, can you make these big wheels  
burn?

Smokey mountain rain keeps on fallin'  
I keep on callin' her name  
Smokey mountain rain, I'll keep on searchin'  
I can't go on hurtin' this way  
She's somewhere in the smokey mountain rain

I can't blame her for lettin' go  
A woman needs someone warm to hold  
I feel the rain runnin' down my face  
I'll find her no matter what it takes

Smokey mountain rain keeps on fallin'  
I keep on callin' her name  
Smokey mountain rain, I'll keep on searchin'  
I can't go on hurtin' this way  
She's somewhere in the smokey mountain rain
