Soon and very soon we are going to see the King
Soon and very soon we are going to see the King
Soon and very soon we are going to see the King
Hallelujah, Hallelujah, we're going to see the King

I said, soon and very soon we are going to see the King
That's right, soon and very soon we are going to see
the King

I said, soon and very soon we are going to see the King
Hallelujah, Hallelujah, we're going to see the King

Yeah, yeah
Hallelujah, Hallelujah, we're going to see the King

Oh, listen now, no more cryin' there, we are going to
see the King

Did you hear me now? No more cryin' there we are
going to see the King

Yeah, no more cryin' there, we are going to see the
King

Hallelujah, Hallelujah, we're going to see the King

Oh, Hallelujah, Hallelujah, we're going to see the King

We're going to see the King

Going to see the King
